HOUSE RULES

Welcome to the historical Palacio, founded in 1672, your Majorcan retreat embraced by the charming Serra de Tramuntana. Grand Hotel Son Net depicts the epitome of authentic sophistication and serene privacy.

As we trust that our guests contribute considerably in preserving the perennial refinement of Grand Hotel Son Net, we lovingly request from you to respect our residence's rules:

Please, refrain from taking photographs at the pool areas which may engage the appearance of non-familiar individuals.

Please, avoid making phone calls or disturb the tranquility of other guests.

The use of bathrobes and slippers is not permitted outside your accommodation or our Spa facilities.

After 8pm, please, make sure you are wearing a smart casual attire while walking around our public spaces. Please refrain from wearing open shoes, shorts, t-shirts for gentlemen in our Green Bar, Restaurante Mar&Duix and chimney room.

All of our rooms and suites are non-smoking.

While we love the harmony that pets bring, unfortunately they are not permitted on the property.

Kindest regards,
